Integrative Physician (MD, DO) including Acupuncture skills

Caduceus Healthcare has an immediate need for a civilian Board Certified Physician to provide Integrative, Complimentary and Alternative medical services to our military members and families at Walter Reed National Military Medical Center in Bethesda, Maryland on a long-term (multi-year) contract. This is an outstanding opportunity for an Integrative Physician to support our military in a professional atmosphere all while enjoying the many attractions of the Washington, DC area.

Responsibilities include:

• Provide a full range of complementary and alternative medicine services, which may include acupuncture, guided imagery, meditation, yoga, biofeedback, integrative therapy, aromatherapy, etc.
• Provide educational instruction to residents, medical students, and student registered nurse anesthetists.
• Prescribe and dispense medications as delineated by the Pharmacy and Therapeutics Committee.
• Promote preventive and health maintenance care, including annual physicals, positive health behaviors, and self-care skills through education and counseling.
• Request consultation or referral with appropriate physicians, clinics, or other health resources as indicated.
• Order diagnostic tests as applicable.
• Provide patient evaluation, diagnosis, treatment, planning, and follow up of pain patients.

Required Credentials, Training & Education:

• Possess a current, unrestricted license to practice medicine in any U.S. State, D.C., the Commonwealth of Puerto Rico, Guam or the U.S. Virgin Islands. M.D. or D.O. required and U.S. Citizenship.
• Board certification in a specialty recognized by the American Board of Medical Specialties.
• Completion of appropriate Internship and Residency Programs.
• Current BLS and ACLS certification.
• Current and valid Drug Enforcement Administration (DEA) registration.
• Must have completed a 300 hour acupuncture training course.
• One year experience in acupuncture therapy.
• Have experience and/or education in other modalities of complementary and alternative medicine including at least one year experience working as part of an interdisciplinary team.
• Have minimum of one year experience in teaching residents, student Registered Nurses, or medical students within the last three years.

Schedule is Monday – Friday days (typically 7a-4p) with no call, no nights and no weekends.
