

Course Instructors:

Jay Sandweiss, DO, has been teaching health related courses since 1979. His audiences have included medical doctors, osteopathic physicians, chiropractors, physical therapists, acupuncturists, massage therapists,

registered nurses, and other health professionals. He has taught nationally and internationally; including presentations for the American Academy of Pain Management, the American Back Society, and the American Academy of Medical Acupuncture. Dr. Sandweiss is board certified by the American Osteopathic Association in Neuro-musculoskeletal medicine and osteopathic manipulative medicine. He is also board certified in medical acupuncture by the American Board of Medical Acupuncture.

Dr. Sandweiss is extensively trained in the fields of Osteopathy, Applied Kinesiology, Applied Nutrition and Chinese Medicine. In teaching his seminars, Dr. Sandweiss has the ability to integrate a wealth of information into a focused, practical model.

Paul Shapiro, MD, completed his residency in 1961 at the Department of Physical Medicine and Rehabilitation at the University of Michigan Medical Center in Ann Arbor, Michigan. He received his medical degree from the College

of Human Medicine at the Michigan State Medical School in East Lansing, Michigan. Dr. Shapiro is board certified by the American Board of Physical Medicine and Rehabilitation and the American Board of Electrodiagnostic Medicine.

He specializes include; Spine, Sports and Occupational Rehabilitation, Manual Therapy, Medical Acupuncture, Electrodiagnostic Evaluation (EMG), Prolotherapy, and Hyaluronate Injections.

He is a founding partner in Associates in PM&R in Ypsilanti, Michigan.

Treating Musculoskeletal Pain and Dysfunction Without Drugs and Surgery

Join Dr. Sandweiss and Dr. Shapiro as they share many diagnosis and treatment pearls and protocols from their combined 76 years of clinical experience.

Saturday, November 11
Sunday, November 12
9 a.m. - 5:30 p.m.

Probility
3069 Carpenter Road, Ypsilanti, MI 48197

Registration will begin at 8:30 a.m. on both days. This weekend course is ideally designed as a two-day event. Attendees may attend either day individually and still acquire considerable knowledge that includes clinical problem-solving and treatment applications.

BeRemarkable.

Course Agenda

Day 1:

(7 hours of actual class time/1.5 hours of break)

8:30 a.m.

Registration and food provided.

9 - 10 a.m.

Overview of effective clinical approaches for diagnosing and treating musculoskeletal pain and dysfunction: manual therapies, acupuncture, injections, exercise and nutrition.

10 - 10:45 a.m.

Palpation, motion testing and manual muscle testing skill development.

10:45 - 11 a.m. Break
